**WALT DISNEY COMPANY.** Conditionally granted Walt Disney Company's petition for a waiver of program access rules until such time as Madeira Land Company, Inc. either begins residential distribution or adds other non-Disney owned hotels to its distribution system; further ordered that at such time Disney will again appear before the FCC in an attempt to make a showing why continued validity of the waiver is in the public interest, should it wish the waiver to continue in force. (By M&O [DA 94-843] adopted August 1 by the Chief, Cable Services Bureau)

**SMALL CABLE BUSINESS ASSOCIATION.** Issued letter to Small Cable Business Association clarifying certain provisions of the Commission's revised cable rate regulations regarding the unbundling of equipment charges from programming service charges. (By Letter [DA 94-846] adopted August 2 by the Chief, Cable Services Bureau)

**MTV NETWORKS, INC.** Issued letter granting a limited waiver of the rules to permit operators to receive commissions from MTV Networks' experimental home shopping programming without offsetting such revenues against programming costs in calculating costs eligible for external treatment.
